

ROBERTA - SMOKE GREY

With its bold knots, changing coloration, sapwood and distinctive medullary rays of oakwood this herringbone parquet brings a rustic feel to home.

Nano-ceramic fortified matt varnish is very resistant to scratches and wear. Strong HDF-mid-layer is very stable in changing humidity conditions and helps prevent dents from falling objects.

Products are available in 4 different colours - natural oak, white oak, smoke grey and dark brown.

Measures: 12 x 120 x 600 mm, 4 left hand and 4 right hand boards in one package

Floating or glued down installation
